Please list any other events you would like included in your camp and the length of time needed.  
*i.e. Beach walk- 2 hours*

Please note the following safety information and restrictions on activities. All instructed activities begin with a brief safety talk; this is some information that will be helpful while planning;

## HORSES

All participants and helpers must wear sturdy shoes that cover the top of the foot and heel.

All participants must wear helmets and hair nets provided. All participants under 10years must be led.

Any participant under 10years should be accompanied by an adult ready to assist with leading that horse if needed.

## GO KARTS

All participants must be 8 years and older.

All participants and helpers must wear sturdy shoes that cover the top of the foot and the heel.

All participants must wear helmets and hair nets provided.

All participants must be able to drive the Go Karts independently after a safety and instruction briefing.

## ROCKWALL

There is no age limit at the rockwall but the Instructor will advise parents/supervisors if a child is too small to fit a harness.

While there is no upper weight limit all practical steps in sensitivity will be taken to inform a participant in the event that they are too large to achieve a safe harness fit.

Harnesses must be worn in the manner illustrated by Instructors.

All participants and helpers must wear sturdy shoes that cover the top of the foot and the heel.

Personal harnesses are welcome but use must be authorised by the lead Instructor.

## FLYING FOX

Minimum age- 6years

Maximum weight- 90kg
