

## PARTNER WITH US

At El Rancho it's our goal to make it possible for every child to come to camp!

Although there is government funding available for some, there are many kids who still miss out.

If you have a heart for ensuring every New Zealand kid gets the chance to experience the opportunity to learn and grow in a nurturing environment, then we'd love to hear from you.

Registered as a charity, El Rancho is a not-for-profit interdenominational Christian Camp and Conference Centre situated on a 60 acre site in Waikanae Beach.

Catering for a combination of schools, churches, sports groups, individuals and families, we host over 14,000 guests each year.

Donations may be a one off gift or perhaps you would like to set up an automatic payment to donate regularly.

For more information on how to donate please email Michelle von Keisenberg on [michelle@elrancho.co.nz](mailto:michelle@elrancho.co.nz) or by calling 04 902 6287.

We carefully consider where all donations are allocated to, so you can rest assured that your gift will be used for the purpose that you intended.

You may be able to claim back from IRD up to a third of what you donate to us.

## SPONSOR A CHILD TO CAMP

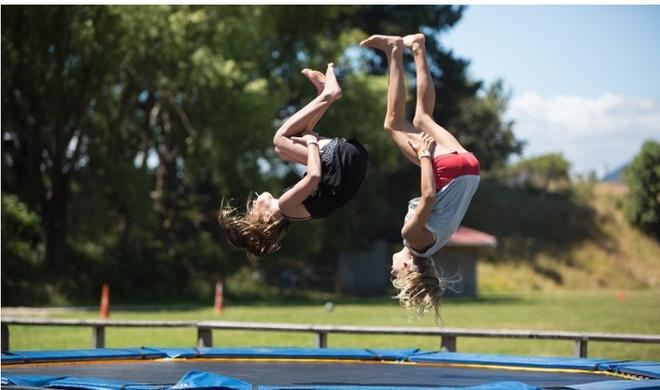

## A LONG HISTORY

At El Rancho we've been hosting camps for over 50 years. We know just what an amazing impact a week spent at one of our camps can have on a child.

We offer fun and adventure along with opportunities for kids to experience new things and push themselves out of their comfort zones.

## MAKING A DIFFERENCE

We love seeing the effect that a safe, caring environment has on some children when they come to El Rancho.

Camp is often a far cry from what they experience at home and the chance to simply enjoy three wholesome meals a day is a treat for them.

## HOW CAN YOU HELP?

We host our own Kids Camps every school holidays, featuring a range of fun activities along with encouraging, life-giving Christian based teaching sessions.

We also host a large number of schools from across the Wellington, Wairarapa, Horowhenua and Manawatu regions and beyond. Despite some government funding for schools, due to financial restrictions many of the lower decile schools are only able to come to us every second or third year.

**We would love you to assist individuals, families and schools who are in need. By partnering with us, we can make a real difference.**

For every child that comes to camp, we need to cover our costs for administration, their accommodation and food along with the staff required to lead their activities.

For one of our Holiday Kids Camps, a standard registration for a week long camp is \$195. For School Camps, the average cost per child for a 3 night camp is around \$170.
